

FIJI NATIONAL  
UNIVERSITY

## VICE-CHANCELLOR'S WEEKLY MESSAGE

28 October, 2024

### Dear FNU Family,

As we begin this week, I want to thank each one of you for your hard work and dedication. Your commitment to Fiji National University (FNU) makes a significant impact and is deeply appreciated.

A special acknowledgment goes to our outreach team for their excellent work in the Lau Group last week, reaching out to maritime students. We also congratulate the Year 13 students from the Lau Group who received their Provisional Offer Letters, and we look forward to welcoming them next year. The team is now in Kadavu and will soon visit the Lomaiviti Group.

I would also like to thank the College of Agriculture, Fisheries and Forestry (CAFF) for their wonderful display at the Agriculture Show last week. Your efforts highlighted the talent and innovation within our university. Congratulations also to the College of Medicine, Nursing and Health Sciences for hosting an outstanding cultural show. It was an honour to see our students proudly sharing and celebrating their diverse cultures.

This week, we also conducted a successful career talk with the students and teachers at Adi Cakobau School. It is always rewarding to engage with the next generation of leaders and showcase the opportunities FNU has to offer.

Looking ahead, we are excited to introduce a whole new look of our INSIDE FNU edition, featuring engaging stories and updates from across the university.

As you prepare to study for upcoming Semester 2 final exams, I wish to thank you again for your passion, hard work, and commitment. I urge you to use the study break wisely and reach out to your tutors, lecturers and NoquBuddy Mentors when you feel stuck. Let us continue supporting one another as we work toward excellence.

*Professor Unayi Nabobo-Baba*  
**Vice-Chancellor**
